

The Dance Space is a place where kids of all ages, shapes and sizes learn to dance and perform. This is a studio where creativity, individuality and self-expression is encouraged and has a community of teachers, students and families who are passionate about performing. Our goal is to create a positive and happy experience for all of our students. We strive to nurture and develop talent, celebrate the achievements of all students and inspire a love and appreciation of all styles of dance. We are committed to providing a safe and positive environment in which all students can feel empowered, comfortable and free to express themselves.

Join our competitive dance company!

We are looking for dancers ages 6 and up who want to dance on stage!

Our Company dancers are selected to work together as a unified group to perfect their dance for a judge to critique them. They have made a conscious decision to have coaches lead them and correct them and their movement. These dancers want to be a part of a group that performs and is noticed.

Competition dancers meet new friends while learning many life lessons such as respect, responsibility, working with others, time management and so much more all within a team environment.

Classes are offered throughout the summer with auditions at the end of July! Our season begins in August where we learn routines and get ready to go on stage.

Recreational and intermediate commitment levels are available to meet every dancer and family's needs!

If you think this is something your dancer would like, please email andi@iyoo wee.com.
